TRIANGLE PAYROLL SERVICES, INC.

# Do you know who you are hiring?

- 45% of all resumes contain one fabrication, according to the Society for Human Resource Management
- 6% of annual revenue is lost due to employee fraud
- 17% of all crimes occur in the workplace

***We're excited to announce...*** that we provide our customers access to a simple and affordable background screening solution through our partnership with National Crime Search (NCS). Our partnership not only provides you with secure and affordable access to a web-based criminal and sex offender directory that includes over 507 million criminal records, it also allows you access to motor vehicle reports, credit reports, county criminal records and much more.

NCS is committed to providing a quality and affordable background screening solution tailored to meet your criminal background search needs.

## Get the facts with NCS background screening.
